I would like to know any type of identifying information for him, including birthday, address, and/or e-mail addresses. Identify possible co-conspirators in the credit card/keycard fraud scheme. Please locate evidence that he has social media accounts, such as LinkedIn, FaceBook, and Twitter. Even web browser cookies would be helpful. We believe the suspect bought a sports car with the proceeds of the fraud. If you find a photo of it, perhaps we can seize it as fruits of the crime. It is believed the suspect is a project manager. It would be helpful if you can find evidence of this.
